The International Conference on Sustainable Energy and Green Technology 2019 (SEGT 2019) will be held on 11-14 December 2019 in Bangkok. SEGT 2019 aims to promote research in the field of sustainable energy, green technology, environment and climate change, and facilitate the exchange of new ideas in these fields among academicians, engineers, scientists and practitioners. It includes plenary, keynote & invited speeches, oral presentations & poster sessions on different topics. Accepted full papers will be published in **conference proceedings**. Selected papers will be published in special issue of renowned **ISI-indexed journals** i.e. **International Journal of Hydrogen Energy (Q1; IF 4.229)**, **International Journal of Energy Research (Q1; IF 3.009)**, **Energies (Q2; IF 2.676)** and recommended for publication in **The Journal of the Chinese Society of Mechanical Engineers (Q4; IF 0.274)**. **Best Paper Awards** and **Best Poster Awards** will be presented.

Conference Topics

- New and Renewable Energy
- Sustainable Technologies for Energy Conversion
- Environment and Climate Change
- Energy Management, Policy, Economics and Sustainability
- Energy Sciences
- Energy Storage and Power Engineering
- Sustainable Cities, Architecture and Green Buildings
- Green Design, Products and Manufacturing Processes
- Green Materials
- Waste Management and Waste Water Treatment
- Heating, Ventilation and Air Conditioning (HVAC)
- Smart Grid / Smart City / Smart Mobility
- Bioresource and Bioenergy
